Environmental Policy

Document Number: GHC-QF210

Revision: 06

STATEMENT OF POLICY

Gwalia Healthcare will:

- Recognises the importance of environmental protection and is committed to operating its business responsibly and in compliance with all legal requirements relating to the design & manufacture of plastic bottles, caps, closures, medical devices, and packaging solutions
- These commitments will be met through a shared culture that will be met by delivering a high standard Environmental system measured against documented objectives and targets.
- Ensure that Gwalia Healthcare is compliant with relevant Environmental laws, regulations, and standards.
- Commit to the protection of the Environment, including the prevention of pollution, reduction of waste and reduction in energy consumption
- Work towards the continual improvement of the Gwalia Healthcare Environmental Management System (EMS).

RESPONSIBILITY AND AUTHORITY

- Gwalia Healthcare's Managing Director has the ultimate responsibility and authority for the application of this policy.
- Gwalia Healthcare's Managing Director has delegated the overall responsibility and authority for the Environmental Management System to the Senior Quality Manager, who serves as Gwalia Healthcare's Management Representative.
- Each Gwalia Healthcare employee is empowered to be responsible for compliance to this policy.

The Environmental Policy will be communicated to all employees and will be available to all parties on request
